Dear Sir/Madam,

MANAMPERI (ENGINEERING) AWARD -2017

Sri Lanka Association for the Advancement of Science (SLAAS) calls applications for the **Manamperi Award - 2017** that will be presented to the best undergraduate Engineering Project carried out at a Faculty of Engineering in a Sri Lankan University.

The award is open to engineering students who have submitted undergraduate research projects to a Sri Lankan University during the academic year 2016/2017.

On behalf of SLAAS, Section - C, I would appreciate if you could please make necessary arrangements to inform the departments of your faculty about this award and encourage those eligible to participate in the competition.

The Application Procedure and the format of Application Form are attached. The deadline for the application is 15 July 2017.

Thank you,
Yours sincerely,

Eng. Dr. (Mrs.) WCDK Fernando
President (2017) - Section C
Sri Lanka Association for the Advancement of Science (SLAAS)

SRI LANKA ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE

Manamperi Award 2017

(For the best Undergraduate Research Project carried out at a Faculty of Engineering in a Sri Lankan University)

Guidelines for Application

- The Award is open for students who have submitted their undergraduate engineering research projects to a Sri Lankan University during the academic year 2016/17.
- The duly completed prescribed application should be submitted together with a project report (not exceeding 1500 words) and necessary diagrams/drawings.
- The report should be certified by the Head of the Department where the work was carried out.
- The report should be submitted in duplicate.
- Applications should reach the following address before the deadline (15 July 2017).

The Secretary/Section C

Sri Lanka association for the Advancement of Science

120/10, Wijerama Mawatha

Colombo 07

- Write “**Manamperi Award**” on the top left corner of the envelope containing the application.

Important Note:

- SLAAS expects that the awards will be made on high quality submissions and hence reserve the right not to award any if the quality of submissions does not demonstrate the expected quality.
- If the work submitted has been carried out by a group or an organization, but the application is by an individual, the application should be supported by a letter of authorization stating that
 - (a) there is no objection to the applicant submitting the work
 - (b) there is no objection to the applicant receiving the award
- A maximum of 5 applicants can be included in one application.
- The decision of the SLAAS Council shall be final on any matter related to awards.
- The cheque for the winner of the award will be drawn in favour of the applicant as given in cage 1 of the prescribed application form.
- The award will be presented at the Annual sessions of SLAAS in December 2017.
