

SRI LANKA ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE (SLAAS)

PHYSICAL SCIENCE AWARDS – 2017

(PHYSICS/MATHEMATICS/STATISTICS)

Applications are invited from undergraduate students or recent graduates who have completed research project (individual) in the field of Physics or mathematics or Statistics as a partial requirement for B. Sc degree in a Sri Lankan University during the period from 1st July 2016 to 30th June 2017.

APPLICATION PROCEDURE:

1. The project should have been carried out as an undergraduate research project (individual) in Physics or Mathematics or Statistics as a partial requirement for the B.Sc. degree.
2. The duly completed prescribed application should be submitted together with a synopsis of the work with not more than 1500 words, long with the full project report.
3. The Head of the Department where the work was carried out must certify the report. This certification should state that the project is the sole work of the applicant and that it constitutes a partial requirement for the B.Sc. degree.
4. The report should be submitted in duplicate and should reach the following address **on or before 31th August 2017**

The Secretary/ Section E 1,
Sri Lanka Association for the Advancement of Science
120/10, wijerama Mawatha
Colombo 7.

5. Short listed candidates will be invited to make oral presentations which will be part of the evaluation process of the award.
6. Write on the top-left-hand-corner of the envelop "Physical Science Award 2017"

IMPORTANT NOTE:

1. SALAS expect that the awards will be made on high quality submissions, therefore reserve the rights not to award any if the quality of submissions does not demonstrate the expected quality.
2. The decision of the SLAAS Council shall be final on any matter related to awards.
3. If any award is won, the cheque will be drawn in favor of the applicant as given in cage 1 of the prescribed application form.

PRESENTATION OF AWARDS:

Awards will be presented at the Annual Sessions of the SALAS in December 2017
