

SRI LANKA ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE (SLAAS)

Annual Awards – 2022

Lifetime Award for Excellence in Research:

Awarded by the General Research Committee, SLAAS in recognition of the most outstanding Sri Lankan scientist who has carried out exceptionally high quality/pioneering research in Sri Lanka over a significant period of time and who has produced a considerable number of original publications in peer-reviewed journals with high impact factors and contributed to the field by way of training young scientists. Applicants must be members of SLAAS. This award is given for the total contribution of a scientist towards the scientific advancement of the field and training of young scientists in that field. This award is NOT meant for his/her contribution to a single research project. Eligibility criteria for the award are available at the SLAAS website or at the SLAAS office. Applications will be accepted until **15th September 2022**.

Postgraduate Research Awards – Awarded by General Research Committee of SLAAS:

This award is open to recent postgraduate degree holders who have carried out a major part of the research in an institution within Sri Lanka. The award will be based on the applicant's publications on his/her postgraduate research work. Applicants must be members of SLAAS who have completed a postgraduate research degree (M.Phil., Ph.D., etc.) in a Sri Lankan university/institution in the 2 years preceding 31st July 2022. Eligibility criteria for the award are available at the SLAAS website or at the SLAAS office. Applications will be accepted until **15th September 2022**.

The SLAAS award for Innovation and Commercialization– Awarded by the General Research Committee of SLAAS:

This is an award made in recognition of a Sri Lankan who has succeeded in Innovation and Commercialization. Applicants must be members of SLAAS. Eligibility criteria for the award are available at the SLAAS website or at the SLAAS office. Applications will be accepted until **15th September 2022**.

Physical Science Awards:

These awards are open for undergraduate students or recent graduates who have completed individual research projects in the fields of physics / mathematics / statistics as a partial requirement for a B.Sc. degree from a Sri Lankan university during the period 1st July 2021 to 30th June 2022. Applications will be accepted until **31st August 2022**.

Manamperi Award (Engineering):

This award will be awarded to outstanding undergraduate Engineering Research Projects carried out at a Faculty of Engineering in a Sri Lankan University. The Award is open to Engineering graduates or undergraduate students who have fulfilled all the requirements for the degree awarded from a recognized (by Ministry of Education) university or degree-granting institution in Sri Lanka during the period 15th August 2021 to 29th September 2022. Applications are called under both individual and group categories and the submission deadline is **30th September 2022**.

Science Popularization & Promotion Award:

This award is for individuals who have best penetrated society and contributed to popularizing and promoting Science within Sri Lanka from 1st May 2021 to 30th April 2022. Science communicators, including journalists, scientists, and others who have excelled in print and electronic media, are invited to

apply for these awards. Awards may be presented for contributions in Sinhala, Tamil, and English media under following two categories:

- Professional category (individuals are professionally employed as journalists) and
- Non-Professional category (individuals who are not employed as journalists).

Individuals holding the membership of the SLAAS Council or SLAAS-CPS during the period in which the application is made or any of his/her immediate family members are not eligible to apply for this award. The applicant is eligible to provide evidence obtained only during the last three calendar years, including the year in which the award is applied for. Any applicant who has received the same award on a previous occasion is not eligible for the same again for ten (10) years. Applications will be accepted until **31st August 2022**.

Environment Awards:

These awards are open for individuals/organizations which have made a significant contribution to the sustainable management of the environment. Applications are accepted under the categories;

- (a) School students (Individual or group projects conducted by students from grades 8 to 13,
- (b) Individuals,
- (c) Institutions (public and private sector institutions including Non-Governmental Organizations). The award is bestowed on the institution.
