பொதுமக்கள் வாசித்தறிய
எளிதாக்கல்

Prof. G. Mikunthan
Professor, University of Jaffna
Conducted in English and Tamil media

Chose your session according to language preference

7.45 pm Q & A Session

The country needs science communicators to take up the challenge of disseminating scientific knowledge clearly to the general public.

This workshop will provide skills and knowledge for aspiring writers to lay out facts in a simple and comprehensive manner.
